**Jericho, NY** – American Global is pleased to announce that Vice President Michelle Fabian-D'Amore, CIC, CLCS, has joined American Global's Project Solutions team, serving as a Project Risk Advisor and Account Executive, based out of our New York office.

Michelle is a seasoned insurance professional with nearly 20 years of experience in Property & Casualty Insurance and project insurance programs for large-scale contractors and developers. Her thorough knowledge and proven expertise in insurance management placement strategy will be important assets as she works closely with American Global clients to identify unmitigated risks and design custom tailored solutions to meet their specific project or program needs.

Previously, as a former Risk Manager, Michelle also managed loss-sensitive CCIP programs and Subcontractor Default Insurance (SDI), in addition to professional, environmental and executive risk. Her strong foundation in construction began with her earliest roles as an Account Executive, placing insurance for large construction clients, owners/developers and trade contractors.

John McGill, Project Solutions President, said, "*We are excited to welcome Michelle as our newest Project Risk Advisor. Her commitment to build strong relationships and provide outstanding client service will be invaluable as we help our clients navigate construction risks more effectively.*" Michelle too is excited, noting "*This firm shares my passion for delivering exceptional value to clients and providing creative insurance solutions. Michelle will be joined in New York by Project Associate Morgan Useloff, another new colleague. Morgan will utilize her formal education and prior experience as a Senior Administrative Coordinator to provide administrative support to the entire Project Solutions team. Vice President Sydney Byrne said, "*We are thrilled to welcome Morgan to the rapidly growing AG Project Solutions team where her talents and infectious energy will be a great addition.*" Morgan expressed her enthusiasm for the new role saying she looks forward to the opportunity to contribute to the team's success.
