American Global Promotes Andrea Rusche to Vice President of Insurance for Texas Operations

Andrea will leverage her extensive experience as a senior broker to lead the growing insurance department for all of Texas.

Dallas, TX – American Global is pleased to announce that Andrea Rusche has been promoted to Vice President, overseeing insurance operations throughout Texas including American Global’s new Dallas location, where Andrea will be based.

As American Global continues to expand across the Lone Star State, Andrea was a natural choice to lead the Texas insurance department, having served as our Southeast Senior Broker for the past three years. Andrea’s knowledge, experience and strong work ethic are surpassed only by her dedication to our clients, and her reputation as a true team player and outstanding broker is well-deserved. With a commitment to excellence and collaboration as her guiding principles, Andrea is certain to continue her successful tenure as a respected leader at American Global.

Paul Messenger, President of American Global’s Texas office is thrilled to have Andrea leading the team “*Her passion for the industry, together with her insurance expertise, make Andrea the ideal candidate for this position. She takes great pride in her work. The care and commitment Andrea extends to both colleagues and clients is genuine, ensuring the continued growth and success of our entire team.*”

Andrea is also looking forward to the opportunity, noting “*I am incredibly excited to lead and support our expanding Texas insurance operations in this new chapter of growth. With a focus on innovative brokerage solutions, a steadfast commitment to delivering exceptional outcomes for our client partners, and a dedication to outstanding service, I look forward to making a meaningful impact in this new role.*”

In her prior role as Senior Broker at American Global, Andrea worked with clients, prospects, and colleagues to enhance the strategic and technical aspects of the brokering process. Her claims and large account underwriting background also provided our clients with a unique perspective that helped maximize results in an ever-challenging insurance market, including non-traditional risk mitigation and financing strategies. Andrea also successfully consulted with clients in making decisions to join a group captive in partnership with trustworthy third-party captive management companies. Prior to joining American Global, Andrea served as a construction underwriter at global insurance carriers and worked with national broker partners to tailor practice and project programs for owners and contractors.
